## **Interview Questions for Lee Ann Mancini - Host of the Raising Christian Kids podcast and author and executive producer of the Sea Kids series**

*"I firmly believe in the principles from Deuteronomy 6:6-7 that say, 'These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.' If we adhere to these principles, they will change the trajectory in which we are raising the next generation."*
